

**ATUL VIDYALAYA**  
**SECOND PRELIMINARY EXAMINATION 2012-13**  
**ACCOUNTS**

**STD: XII**  
**DATE: 00/00/2012**  
**SESSION: I**

**MM: 100**  
**TIME: 3 hrs**

---

*(Candidates are allowed additional 15 minutes for only reading the paper.  
They must NOT start writing during this time)*

---

*Answer Question 1 (compulsory) and Question 2 (compulsory) from Part I  
and any other five questions from part II.*

*The intended marks for questions or parts of questions are given in brackets [ ].*

*Transactions should be recorded in the answer book.*

*All calculations should be shown clearly.*

*All working, including rough work, should be done on the same sheet as, and adjacent to,  
the rest of the answer.*

---

**PART I (30 Marks)**  
*Answer all questions*

**Question 1**

**[10 × 2]**

Answer each of the following questions briefly:

- (i) Mention two differences between Premium on Issue of Debentures and Premium on Redemption of Debentures.
- (ii) State any two advantages of the Self Balancing System.
- (iii) What is the basis of accounting that is followed when preparing a cash flow statement?
- (iv) Why is a profit and loss appropriation account necessary in a partnership firm?
- (v) Why is there a need for revaluation of assets and liabilities of a firm if there is a change in profit-sharing ratio of partners?
- (vi) Explain 'pro-rata allotment of shares' by means of a suitable example.
- (vii) State two differences between 'current assets' and 'current liabilities'.
- (viii) Mention two uses of ratio analysis.
- (ix) What are quoted investments?
- (x) Mention any two differences between Revaluation Account and Realisation Account.

**Question 2**

**[10]**

Jay was allotted 100 equity shares of Rs.100 each by Anoop Ltd. originally issued at a discount of 6% per share. He failed to pay the final call at Rs.35. These shares were forfeited and out of these, 50 shares were re-issued to Murali at Rs.90 each as fully paid up. Journalise the transactions in respect of forfeiture and re-issue of shares only.

**PART II (70 Marks)**  
*Answer any five questions.*

**Question 3**

**[14]**

A, B and C are partners sharing profits and losses in the ratio of 3: 2: 1. On 31.3.10, B decides to retire and their capital accounts on that date are A – Rs. 60,000; B – Rs. 45,000 and C – Rs. 50,000. Their current accounts on that date are A – Rs. 5,000 (Cr); B – Rs. 2,300 (Dr) and C – Rs. 3,000 (Cr).

The partnership deed provided that, in case of retirement, the retiring partner should be entitled to a share of the goodwill of the firm to be calculated on the average of the profits of last three years' ending on 31.3.2010 which comes to Rs. 12,000 and that the payment of the total interest of the retiring partner will be made by annual installments of Rs.10,000 each. The retiring partner will be entitled to interest also at 6% on the unpaid balance. The first installment was paid on 31.3.2010. Show B's loan account until the whole payment due to him is made.

Question 4

[14]

Trading and Profit and Loss Account of Bright Star Ltd. for the year ended 31st March 2010.

| Particulars                | Rs.             | Particulars             | Rs.             |
|----------------------------|-----------------|-------------------------|-----------------|
| To opening stock           | 15,250          | By sales                | 1,00,100        |
| To purchases               | 63,050          | By closing stock        | 19,600          |
| To carriage                | 400             |                         |                 |
| To wages                   | 1,000           |                         |                 |
| To Profit and Loss A/c     | 40,000          |                         |                 |
|                            | <u>1,19,700</u> |                         | <u>1,19,700</u> |
| To Administrative expenses | 20,200          | By Trading A/c          | 40,000          |
| To salaries                | 2,400           | By non operating income | 1,              |
| To financial expenses      | 1,400           |                         | 200             |
| To Non-operating expenses  | 400             |                         |                 |
| To Balance c/d             | 16,800          |                         |                 |
|                            | <u>41,200</u>   |                         | <u>41,200</u>   |

Balance Sheet of Bright Star Ltd. as at 31st March, 2010.

| <u>Liabilities</u>  | <u>Rs</u>     | <u>Asset</u> | <u>Rs.</u>    |
|---------------------|---------------|--------------|---------------|
| Share capital       | 70,000        | Fixed assets | 60,100        |
| Reserves            | 1,200         | Stock        | 19,000        |
| Profit and Loss A/c | 16,800        | Debtors      | 9,000         |
| Creditors           | 3,700         | Bank         | 3,600         |
|                     | <u>91,700</u> |              | <u>91,700</u> |

From the above, calculate the follow ratios:

- (i) Gross Profit ratio
- (ii) Net Profit ratio
- (iii) Stock turnover ratio.
- (iv) Proprietary ratio
- (v) Current ratio
- (vi) Quick ratio.
- (vii) Working capital turnover ratio.

Question 5

[14]

Show by means of journal entries, how would you record the following issues in the books of Charles Ltd. Also show how would they appear in their respective Balance Sheets:-

- (i) A debenture issued at Rs.95 repayable at Rs.100.
- (ii) A debenture issued at Rs.95 repayable at Rs.105.

[NOTE: Face value of each debenture is Rs.100]

**Question 6****[14]**

The following are the Balance Sheets of Wiseman Ltd. as on 31st December 2010 and 2011-

| Liabilities                   | 2010             | 2011             | Assets               | 2010            | 2011            |
|-------------------------------|------------------|------------------|----------------------|-----------------|-----------------|
| Share capital                 | 5,10,000         | 5,50,000         | Goodwill             | 25,000          | 20,000          |
| Loan                          | 2,50,000         | 1,50,000         | Building             | 2,10,000        | 3,30,000        |
| General reserve               | 1,00,000         | 1,00,000         | Machinery            | 3,00,000        | 4,00,000        |
| Profit and Loss A/c           | 55,000           | 95,000           | Stock                | 1,25,000        | 1,05,000        |
| Provision for taxation        | 20,000           | 55,000           | Debtors              | 1,50,000        | 1,20,000        |
| Creditors                     | 25,000           | 20,000           | Cash                 | 1,50,000        | 12,000          |
| Bills payable                 | 10,000           | 15,000           | Preliminary expenses | 15,000          | 10,000          |
| Provision for doubtful debts. | 5,000            | 12,000           |                      |                 |                 |
|                               | <u>9, 75,000</u> | <u>9, 97,000</u> |                      | <u>9,75,000</u> | <u>9,97,000</u> |

Additional information:-

- (i) During the year, a part of the machinery costing Rs.2,500 was sold for Rs.1,500.
- (ii) Dividend of Rs.50,000 was paid during the year.
- (iii) Income tax of Rs.25,000 was paid during the year.
- (iv) Depreciation provided during the year on Building Rs.5,000 and Machinery Rs.25,000.

From the above, you are required to prepare a cash flow statement as per Accounting Standard - 3.

**Question 7****[14]**

The following is the trial balance of Martin Ltd. as on 31st March 2010:-

| Debits              | Rs.              | Credits             | Rs.              |
|---------------------|------------------|---------------------|------------------|
| Opening stock       | 75,000           | Purchase returns    | 10,000           |
| Purchases           | 2, 45,000        | Sales               | 3, 40,000        |
| Wages               | 30,000           | Discount            | 3,000            |
| Carriage            | 950              | Profit and Loss A/c | 15,000           |
| Furniture           | 17,000           | Share capital       | 1, 00,000        |
| Salaries            | 7,500            | Creditors           | 17,500           |
| Rent                | 4,000            | General reserve     | 15,500           |
| Trade expenses      | 7,050            | Bills payable       | 7,000            |
| Dividend paid       | 9,000            |                     |                  |
| Debtors             | 27,500           |                     |                  |
| Plant and Machinery | 29,000           |                     |                  |
| Cash at Bank        | 46,200           |                     |                  |
| Patents             | 4,800            |                     |                  |
| Bills receivable    | 5,000            |                     |                  |
|                     | <u>5, 08,000</u> |                     | <u>5, 08,000</u> |

- (i) Stock as on 31.3.2010 – Rs.88,000
- (ii) Depreciate plant and machinery at 15%, furniture at 10% and patents at 5%
- (iii) The Board recommends payment of a dividend @ 15% p.a.

From the above information, you are required to prepare the Profit and Loss account for the year ended 31.3.2010 and a Balance Sheet as on that date.

**Question 8**

**[14]**

Robert and Smith were partners sharing profits and losses in the ratio of 3: 2.

On the date of dissolution, their capitals were:

Robert – Rs.7,650 and Smith – Rs.4,300

The Creditors amounted to Rs.27,500. The balance of cash was Rs.760. The assets realised Rs.25,430. The expenses on dissolution were Rs.1,540. All the partners are solvent.

Close the books of the firm showing the realisation, capital and cash accounts.

**Question 9**

**[14]**

Johnson Ltd. kept bought and sales ledger on self-balancing principles. From the following particulars, prepare the necessary adjustment accounts for the year 2011 in the two ledgers:-

|                                 |        |
|---------------------------------|--------|
| Sundry Debtors (1.1.2011)       | 12,400 |
| Sundry Creditors (1.1.2011)     | 5,000  |
| Credit purchases                | 20,600 |
| Credit sales                    | 26,800 |
| Cash received from debtors      | 15,600 |
| Returns inward                  | 600    |
| Acceptances given               | 8,000  |
| Returns outward                 | 500    |
| Debtor's acceptances dishonored | 1,000  |
| Discount allowed                | 200    |
| Bad debts written off           | 400    |

**Question 10**

**[14]**

S, T and W having agreed to share profits and losses equally, entered into a joint venture to construct a building at a price of Rs.10,00,000. A joint bank account was thus opened where S paid Rs.4,00,000, T – Rs.2,00,000 and W – Rs.3,00,000.

Expenses incurred on behalf of the joint venture were as follows:

Materials – Rs.2,00,000; wages Rs.1,50,000 and expenses Rs.1,25,000.

Materials supplied by S from his stock amounted to Rs.1,25,000.

Finally, the venture was closed by T taking the closing stock at a valuation of Rs.1,00,000.

From the above, you are required to prepare the joint venture account, co-ventures' accounts and the joint bank account.
